

MidiMap::saveFile

```
graph LR; A[MidiMap::saveFile] --> B[MidiMap::setXml]; B --> C[MidiMap::getTag];
```

The diagram illustrates a sequence of three operations on a MIDI map. It consists of three rectangular boxes arranged horizontally. The first box, on the left, is shaded gray and contains the text 'MidiMap::saveFile'. A blue arrow points from this box to the second box, which is white and contains 'MidiMap::setXml'. Another blue arrow points from the second box to the third box, which is also white and contains 'MidiMap::getTag'. All boxes have a thin black border.
