

ObxdVoice::checkAdsrState

```
graph LR; A[ObxdVoice::checkAdsrState] --> B[AdsrEnvelope::isActive]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'ObxdVoice::checkAdsrState'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'AdsrEnvelope::isActive'.

AdsrEnvelope::isActive
